NATIONAL ANTHEM

Nigeria we hail thee,
Our own dear native land,
Though tribe and tongue may differ,
In brotherhood, we stand,
Nigerians all, and proud to serve
Our sovereign Motherland.

Our flag shall be a symbol
That truth and justice reign,
In peace or battle honour'd,
And this we count as gain,
To hand on to our children
A banner without stain.

O God of all creation,
Grant this our one request,
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

BAYELSA ANTHEM

Thou whose Almighty word,
Chaos and darkness heard,
And took their flight;

Move in the creeks we pray
Bearing the lamp of Love
And in Bayelsa State
Let there be Peace.

Move in creeks we pray
Bearing the lamp of Grace,
And in Bayelsa State,
Let there be light.

INTRODUCTION

NEW TAXES, LEVIES AND FINES PAYMENT REGIME IN BAYELSA STATE

In other to improve the revenue generation capacity of the state, especially from the informal sector, government has decided to consolidate and streamline the revenue collection process in the state. Efforts are made to remove multiple collection agents from assessing and collecting taxes, levies and fees from citizens.

Consequently, the government has consolidated the revenue allocation process to ensure that all taxes, levies and rates are accessed and collected through a common platform and through the Bayelsa Internal Revenue Service.

There is also the multi-agency assessment and monitoring Committee set up to monitor compliance. It is worthy to note that the committee is not to collect taxes or any money from any tax payers.

All levies, fines and taxes are now codified in a single document for payers. The booklet will advise payers of the applicable levies and the amount to be paid.

All taxes, levies and fines are to be paid via:

- Bank/Quickteller payment
- POS Machines.

Please, do not make any payment to any person(s) whose photograph and identity number or Internal Revenue is not printed boldly on his/her identity card.

The Service will also make public list of all agents authorized to collect revenue.

Bank/Quicktellers

Payments are made via banks into the Bayelsa Internal Revenue Service (BIRS) pay direct platform or payers can make online transfer into the BIRS pay direct platform.

POS Payments

Once payment is made, you will receive an alert on your telephone from your bank with details of how much you have paid. In addition, you will also receive a payment ticket from the POS machine. The monitoring Committee shall request for that alert details for purposes of confirming that payment has been made.

Therefore, all payers must ensure that they receive the related alert.

General

There shall be a single haulage fee payable at the point of discharge, a single parking permit sticker, a road worthiness certificate fee that should be collected by the state. This is in accordance with The Taxes and Levies Act, Cap. T2, Laws of the Federation of Nigeria, 2004 (amended 2015). Bayelsa State shall operate a unified Sticker system.
